Subject: revised draft CIP

Ron gave me some feedback and I've incorporated it into the draft community involvement plan for Dimock. There are still a few missing pieces,(in red text) but I'm working on it.

Again, reminder.... This is what most of our CIPs look like. The sections included are typical for any CIP. Don't let the # of pages be discouraging. :}

Table of contents page numbers will be corrected once all the editing is done.
